Alumni Leadership Circle Impact:

Some of the student opportunities provided through the Law Fund:

- Eight Boyd students visited Minden, Carson City, and Reno, Nevada as part of the Law School's Alternative Spring Break Program. The goal of the program is to expose Boyd students to access to justice needs throughout Nevada. During the trip, students met with prosecutors, public defenders, lobbyists, judicial clerks, social justice attorneys, and judges; attended legislative sessions; observed court proceedings; and volunteered at the Food Bank of Northern Nevada.
- Donations to the Law Fund support the Public Interest Fellows, a cohort of students with a demonstrated commitment to public interest law. Fellows receive partial scholarships, specialized career planning and mentoring, and summer stipends to work with non-profit organizations.
- Student scholarships supported through Law Fund donations have been instrumental in attracting talented law students to Boyd. Without scholarship aid, many students would go out of state for law school, and in some cases, would not be able to attend law school at all.

Alumni Leadership Circle Giving:

This giving society recognizes alumni donors who pledge \$5,000 over five years to the Law Fund.
