OTHER/PRIOR EMPLOYMENT

Office of the Nevada Attorney General, Las Vegas, Nevada

General Counsel, 01/19–01/21

- Top legal advisor for the Office of the Nevada Attorney General on a broad range of legal and policy matters.
- Member of Nevada Attorney General Aaron D. Ford’s senior executive team.
- Chief advisor to the Office of the Nevada Attorney General on ethics to ensure all staff perform their work to the highest legal and ethical standards.
- Representing the Office of the Nevada Attorney General at events for/in the community and the legal field.

Skadden, Arps, Slate, Meagher & Flom (UK) LLP, London, United Kingdom

Associate, 09/05–05/07, and **Summer Associate**, 05/04–08/04

- Acting for banks, private equity, and local and national governments in the areas of mergers and acquisitions, general corporate law, and corporate finance.
- Advising clients on establishing corporations, compliance with corporate governance and international human rights laws, and dispute resolution.

University of California, Berkeley, School of Law, Berkeley, California

Research Assistant for Professor Richard Buxbaum, focusing on international law, 02/03–04/04

Research Assistant for Professor Andrew Guzman, focusing on international law and trade-related issues, 06/03–04/04

Stanford University, Stanford, California

Research Assistant for Professor Timothy E. Josling, Institute for International Studies, European Forum, focusing on international trade and related issues with an emphasis on food and agriculture, 06/01–08/02

- Evaluated potential implications of the 2003 expiration of the “peace clause”, Article 13 of the WTO Agriculture Agreement. Tested the effects of export subsidies and “amber”, “blue”, and “green box” domestic support on market shares using economic models and econometric analysis.
- Analyzed and compared domestic food safety regulations in Argentina, Australia, Brazil, Canada, the European Union, Japan, New Zealand and the United States in the context of the increasing globalization of the food sector. Identified changes in national regulations driven by market and technology shifts, public concerns, and political pressures. Examined links between science and policy, and between emerging technology and risk assessment.
- Interpreted the negotiating positions of Latin American and Caribbean countries in the context of the U.S.–EU banana disputes at the WTO. Investigated threats to the production of bananas in the Caribbean.

Teaching Assistant for Associate Director Vera Grant, African & African-American Studies, African & African American Studies Lecture Series, March to June 2002

MVV Consultants & Engineers GmbH, Berlin, Germany, 02/96–06/01

Multiple positions, including, **Head of Department, Policy and Human Resources Development**, 08/99–06/01, **Manager, Business Development and Management Training**, 09/98–07/99, **Project Manager**, 09/97–08/98

- Managed and unified overall company activities in the areas of policy and human resources development in the European Union and Central and Eastern European countries, launched project acquisition activities on the African continent as part of regional diversification.
- Directed diversification and acquisition activities in the public health sector, established and maintained new client relationships in the public health sector, *e.g.*, the Finnish National Research and Development Center for Welfare and Health, negotiated cooperation agreements with leading public health institutions, *e.g.*, the Berlin Center for Public Health, and increased revenues through successful tenders in competitive bidding for European Commission funding.
- Headed a team of financial and engineering experts representing the European Union in collaboration with Eastern European government officials, advised public officials from the Estonian Ministry of Economics, the Krakow Municipal Government, Poland, and the Slovenian Ministry of Economics on local and regional implementation of national policies, and responsible for budget planning, management, and financial reporting.
- Initiated business diversification into the management training sector, led international consortium of 15 leading European universities, companies, and institutions in the preparation of a multi-million-dollar professional education project for managers from the Russian Federation.
- Reorganized non-engineering business development activities and established the Department of Policy and Human Resources Development and cultivated relationships and collaboration with universities in Germany, England, Portugal, and Sweden.

- Developed a program to facilitate self-sustainability of Russian small- and medium-sized enterprises, trained Russian experts on site in management strategies and marketing skills, and lectured at the Institute for International Relations in Yekaterinburg.
- Redesigned system of project acquisition: set up an acquisition archive, designed a recruitment database, simplified the preparation of proposals and tenders, and introduced centralized system for the identification of business opportunities.
- Analyzed the impact of European Union infrastructure policy in Germany. Reviewed regional and national funding policies, developed recommendations for future decision-making. Assessed German strategies in the context of Europe-wide objectives, and managed the German part of the project.
- Won two European Commission projects through competitive procurement.
- Organized international workshop and press conference in Brussels for a large and complex research and development project involving seven European countries.
- Analyzed the market potential for natural gas filling stations and suppliers in Western Europe and compressed natural gas as a fuel in private cars and small freight vehicles.
- Supervised technical and administrative preparation of a successful tender for the renewal of European Commission centers in the Russian Federation.

University of Illinois at Chicago, Chicago, Illinois, August 2000

Workshop Instructor, Office of TRIO Programs, Berlin Study Visit, Berlin, Germany

AussiedlerInnen-integration, Berlin, Germany, 1994 to 1995

Special Instructor of German

- Facilitated integration of immigrants from Eastern Europe and Central Asia into German society and re-socialization of refugees from former Yugoslavia. Taught German, created curriculum, formulated course structure, composed assignments. Integrated win-win conflict prevention and resolution training. Managed budget and coordinated program administration for one state-supported hostel.
