

# Transportation Information

## **Transportation from McCarran International Airport to the Meeting Hotel (Red Rock Resort)**

### **Shuttle**

Red Rock Resort does provide a free shuttle to and from the airport for hotel guests. The travel time is approximately 30 to 40 minutes.

The complimentary shuttle provided by Red Rock Resort picks up from the Zero Level of Terminal 1. If your flight arrives into Terminal 3 you will need to take the airport-provided shuttle over to Terminal 1. Once at Terminal 1, Zero Level can be found by going one level below baggage claim. At the Zero Level, you will see an area that is designated for hotel courtesy shuttles. This is where you will need to be to catch the shuttle. Red Rock Resort does not have an assigned parking space number at the Zero Level, but they normally try to park somewhere between

spaces 19 and 23. Their shuttle is white and says ‘Celebrity’ on the side; it will also have ‘Red Rock’ signs on the windows.
